Park Monitor

Part-time Summer Job

The Crestmont Homeowners' Association is seeking a Park Monitor to oversee the local water spray park and tot lot.

This is a part-time summer job that lends itself to someone who has had experience and enjoys working with children and the general public.

Key duties will include:

- Monitor activities at and general upkeep of the water spray park and tot lot.
- Ensure that the facilities are used exclusively by Crestmont residents and keep attendance records.
- Maintain a clean, safe and pleasant environment.
- Act as a goodwill ambassador for park visitors.
- Program and occasionally conduct events and games to attract and entertain users.

The Park Monitor will work from 4:00 PM to 9:00 PM, three to five days per week depending on weather conditions. Some weekend work will be required. The job starts June 1 and concludes on September 5.

The role calls for a conscientious, reliable person who can work without close supervision. A post-secondary student or other local resident might fit the requirement well. Work or volunteer experience with children and the general public is preferred. Successful completion of a Criminal Record Check is a condition of employment.

Please apply before **May 10** by sending a short cover letter and resume to:
